pragadeeshsekar3047@gmail.com

Vadavalli , Coimbatore Tamilnadu

I am a motivated and detail-oriented full-stack developer specializing in MongoDB, Express.js, React.js, and Node.js. With expertise in both front-end and back-end web applications, I build scalable, high-performance solutions. I excel at developing responsive user interfaces and efficient server-side architectures. Passionate about problem-solving, I thrive in dynamic environments to deliver innovative web applications.
